An Easy Way to Donate to the Mercer County Italian-American Festival Association!

As you know, the **Mercer County Italian-American Festival Association** is always seeking new ways to obtain funding to support the Mercer County Italian American Festival and our efforts to promote Italian American culture in Mercer County. That's why we joined the Care2Share Affinity Program, a free service offered by Investors Bank. As an enrolled member of Care2Share, we receive quarterly donations, which are based on the balances that you, our friends and supporters, maintain in their Investors personal checking and savings accounts.

Here's how it works. When you or anyone you know link your Investors Bank accounts to the **Mercer County Italian-American Festival Association**, the bank will provide us with quarterly contributions. These contributions will be equivalent to .25% on the average balance of all personal checking accounts and .15% on the average balance of all personal savings accounts (including money market accounts, CDs and IRAs). So the more you bank with Investors, the greater the quarterly donation we will receive.

It is easy to enroll in the Care2Share program. If you are already a customer, just stop by any Investors branch and complete an Account Linking form. The form can also be downloaded from the festival website at www.ItalianAmericanFestival.com/documents.cfm. Bring the completed form to your Investors Bank branch.

If you're not yet a customer of Investors, you may wish to consider them for your personal banking needs. The Account Linking form may be completed when you open your account. Plus, when you open an Investors Checking Account, your first order of checks is free. *

Please remember:

- It costs nothing to link your account to the Mercer County Italian-American Festival Association;
- Your interest rates and account features are unchanged by account linking; and
- Your banking information (the products you use, your balances, etc.) remains strictly confidential.

Care2Share is a safe, easy and confidential way to use your everyday banking to benefit the Mercer County Italian-American Festival Association.
